

A Life Song

Songs come and songs go. Many great songs hang on for a very long time; timeless songs like, “Great Is Thy Faithfulness”, “Amazed”, and “Lord I Lift Your Name On High”. In Revelation 15, we are given a picture of an incredible future event. It is a sea of people singing the song of Moses and of the Lamb. You can find the lyrics in verses 3 and 4. As believers, we will be a part of the multitude singing of the greatness of God.

I have known people who live every day with a happy song on their lips. Those are the kind of people we like to be around. They know their God and as a result, live with great joy. My grandfather was one who loved to sing songs to his God.

The Psalmist said, “He put a new song in my mouth, a hymn of praise to our God. Many will see and fear and put their trust in the LORD” (Psalm 40:2-4) He goes on to say in verse 16, “let all who seek You rejoice and be glad in You”.

The reason my grandfather could sing songs was because he truly focused his attention on the greatness of God.

God is wonderful and marvelous. Not only has he redeemed, he has rescued us many times. Focusing on God destroys all fear. We can live with joy, peace, and confidence because of the greatness of God.

Singing a song, even a good worship song, does not do much unless we focus on the one who has no equal. In just one year, we may sing hundreds of songs. Many of them we will sing over and over again. Sometimes they become stale in our minds. The key for us is to use the song to help us centre our thoughts on God Almighty.

Whether in church or in our private lives, we can sing a song to celebrate the greatness of God. We can call it The Song of Moses, The Song of the Lamb, or My Love Song to Jesus!
